ACADEMIC ATTENDANCE & CONDONATION POLICY

Document Code: SRITR/POL/ACAD/2025/01 | Effective Academic Year: 2025-2026 | Version: 3.2

---

1. Mandatory Attendance Requirements

1.1 Every registered student at Shri Ram Institute of Technology and Research (SRITR) is required to maintain a minimum of 75% attendance in each registered theory course, tutorial, and laboratory session to be eligible to appear in the End-Semester Examinations (ESE).

1.2 Attendance is computed on a per-course basis from the first official day of teaching until the last instructional working day declared in the university academic calendar.

CRITICAL RULE: Students with overall attendance falling below 65% under any circumstances will NOT be eligible for medical condonation and shall be summarily debarred.

2. Medical Leave & Attendance Condonation

2.1 The University Academic Council may grant condonation of attendance up to a maximum of 10% (lowering the threshold from 75% to 65%) strictly on valid medical grounds.

2.2 To claim medical condonation, the student must submit an official Medical Certificate issued or counter-signed by the SRITR Chief Medical Officer (CMO) within seven (7) working days of returning to campus.

3. Official Duty (OD) Leave & Co-Curricular Representation

3.1 Students representing SRITR in authorized inter-university sports, national hackathons, technical conferences, or NCC/NSS camps are entitled to On-Duty (OD) attendance credit.

3.2 OD leave is capped at a maximum of fourteen (14) working days per semester. Prior written recommendation of the Faculty In-Charge and formal approval of the Dean of Student Welfare is mandatory before leaving campus.

4. Consequences of Attendance Shortage & Debarment

4.1 Students who are debarred due to shortage of attendance in any course will receive an 'FA' (Fail due to Attendance) grade on their official grade card.

4.2 Debarred students must re-register for the course during the Summer Remedial Semester by paying the prescribed course registration fee of Rs. 4,500 per credit.
