1. Evaluation Scheme & Weightage

1.1 The academic performance in every theory subject is evaluated through Continuous Internal Assessment (CIA) carrying 40% weightage and End-Semester Examination (ESE) carrying 60% weightage.

1.2 CIA comprises two Mid-Term Exams (20%), Surprise Quizzes/Assignments (10%), and Class Participation & Regularity (10%).

2. Minimum Passing Thresholds

2.1 To pass a course, a student must secure a minimum of 40% marks in the End-Semester Examination (24 out of 60) and an overall aggregate of 50% marks in CIA and ESE combined.

NOTE: Securing 50% overall but failing to score 40% in the final exam results in an 'F' grade.

3. Answer Script Viewing & Re-evaluation Procedure

3.1 Stage 1 - Script Inspection: A candidate can apply for a digital photocopy of their evaluated answer script within seven (7) calendar days of result declaration upon payment of a non-refundable fee of Rs. 300 per subject.

3.2 Stage 2 - Formal Re-evaluation: If discrepancies or evaluation errors exist, an application for formal re-evaluation by an external expert examiner must be submitted within fifteen (15) calendar days with a fee of Rs. 1,000 per subject.

3.3 Fee Refund Clause: If the re-evaluation results in a mark increase of 10% or more of maximum theory marks, 50% of the re-evaluation fee (Rs. 500) will be credited back to the student's account.

4. Supplementary & Backlog Examinations

4.1 Backlog examinations are held twice a year: Supplementary Exams in July and Winter Special Exams in January.

4.2 A student is permitted to carry forward a maximum of four (4) uncleared backlogs into the final year (7th Semester).
